# LIVE AND UNFILTERED

**We capture events while they happen.  
Raw. Unfiltered. And now.**

Launched in April 2005, Al Jazeera Mubasher is the first Middle Eastern 24-hour live news and events channel. Acting as the eyes and ears of the Arab world, we're dedicated to giving viewers real-time footage of global and regional events.

Remote feeds and on-the-ground cameras broadcast political gatherings, press conferences, discussions, and meetings,

bringing audiences the latest on political, social, cultural and economic affairs.

When people want events as they happen, they turn to Al Jazeera Mubasher—live and uncut.

# FROM OUR LENS, TO THE WORLD

Zero editing. Zero distractions. It's why the live content on Al Jazeera Mubasher is accurate, impartial and must-see television.

At Al Jazeera Mubasher, we understand that we have an obligation to deliver breaking coverage of the most important events in the region. Because when news happens, our audiences count on us to bring it to them live and without a filter.

From the stately halls of government buildings to the gritty streets of the region's most volatile cities, we're on the ground uncovering stories that escape mainstream news. It's coverage that captures raw emotion. Passionate and beautiful, we echo the voice of the people, and we bring it to the world.

# A TRULY GLOBAL NETWORK

**Al Jazeera Mubasher is part of a growing network comprising more than 10 channels and divisions. Launched in 1996, Al Jazeera was the first independent news channel in the Arab world dedicated to providing comprehensive news and live debate.**

The network challenged established narratives and gave a global audience an alternative voice—one that put the human being back at the centre of the news agenda and quickly made it one of the world's most influential news networks.

Since then, it has added new channels and services whilst maintaining the independent, pioneering spirit that defined its character.

Each subsidiary in the Al Jazeera Media Network follows the same principles and values

that inspire it to be challenging and bold, and provide a voice for the voiceless in some of the most underreported places on the planet.

It's a responsibility shared by every employee at the Al Jazeera Media Network. From our headquarters, to the broadcast centres, and at more than 70 bureaus around the world, we strive to deliver content that captivates, informs, inspires and entertains.
